SUMMARY

I, Narendar Kanugu would like to seek challenging assignments and pursue a career in Interaction Design as a core objective. I chose UX Design because I want to use my passion and create a trend in the User Experience workspace. My expertise lies in defining and executing a design strategy that is built on a deep understanding of user and business needs and the context that surrounds digital experiences. My specialties include user research, usability testing, User Interface and Human Computer interaction (HCI).

INTERNSHIP

DOTWEB SOLUTIONS, Hyderabad / Oct 2015-Dec 2015
User Experience Designer in Intern.

Contributed in a variety of tasks such as Requirement Analysis, Ideation, Task Flows, Interaction Design, Wire framing, and Visual Design etc.

CONFERENCE

UX INDIA WORKSHOP /Oct 2015
